

ANNUAL CANVASS OF ELECTORS 2018

PLEASE USE THE AUTOMATED RESPONSE OPTIONS (Internet, phone or a mobile)

The annual canvass of electors will be starting next week. Please look out for the form addressed to “The Residents”.

(Even if there are no changes to your details you need to confirm this or tell us about any changes.)

If you have access to the internet, phone or a mobile then please respond online, by phone or by text as soon as possible and by 21 August at the latest. It’s simpler, clearer and faster online or by phone – you will need the two part security code on the front of the form.

Last year 60% of households used the automated response options which was great but many more could have used them but didn’t.

Sending reminders cost the council £20,000 last year, money which could otherwise be spent on providing essential public services to our residents.

Remember, there might be another Parliamentary election soon so make sure you are registered by responding NOW.

You have to respond, by law, so if you do it now we won’t have to send out a reminder.
